

Jajoo English Medium School, Yavatmal

**Annual Report**

**2019-2020**

Good Evening everyone.

Our Chief guest for this evening Shri Ajayji Mundhada sir, Our Guest of Honour Shri Deepak Chawane sir, Chairman of the Management Committee of Harikisan Jajoo Education Sanstha, Shri Prakashji Jajoo sir, Mr. Ritesh Chandak Sir, Principal College of Management and Computer Science, PTA members, members of faculty, parents, guests and my dear students. It gives me great pleasure to welcome you all to the Annual Day and Prize Giving Function, of the Jajoo English Medium School Enthusia 2020 which is a musical celebration of our Indian values and to present to you the Annual Report of the school for the year 2019-20. At the outset, we pay homage to our great patriarch, Late Shri Harikisanji Jajoo whose soul continues to guide and inspire us. Our school believes in , 'Shraddha, Gyan, Karam' which is our guiding philosophy which propels us towards a meaningful future. The school is now making tremendous progress under the dynamic leadership of Shri Aashishji Jajoo Sir, Secretary HJES.

I thank sir for agreeing to grace the occasion today with his presence. We are proud to have him with us today. Thank you sir, thank you very much.

Now the school's annual report. I know the Principal's report is not a very welcome interlude during the cultural programme. I have tried to trim it but excessive trimming of the school report is like presenting your score card after deducting some marks yourself. Well, that was in a lighter vein. We all know, presentation of the school report on its Annual Day is an enduring tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both the expected and unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude.

By God's grace and your well wishes, We have developed into a quality co-educational school that offers programs for toddlers from the age of 18 months to students who are preparing to enter University. From last 17 years we are serving in the education field with WKM, JEMS, JJC and CMCS and this year Jajoo School also received the permission to start 11<sup>th</sup> and 12<sup>th</sup> grade as well. Today, we proudly announce our forth coming project

## FACILITIES

The Annual Report showcases the achievements and glories of our institution but also makes us contemplate about our shortcomings. We have always been committed to create an environment in the school which helps the young minds blossom and provide a platform

for individual thinking and holistic development of the child's personality. This year we have a total staff of 78 members and 25 members of non-teaching staff and From playgroup to class X we have 965 students. This year it will be our first 10<sup>th</sup> batch where 23 students will be appearing for class X Board exam. May I request you all to bless them and pray to Lord Almighty to give them strength to build up a good future and come out with flying colours of success.

I start with academic results. JEMS in the real sense of the word focuses on the holistic development of every student but at the same time we ensure that the academic training takes the centre stage in our system and our results do showcase this fact.

### **Conclusion**

I would like to conclude this report on a note of thanks giving first and foremost to Almighty God for his choicest blessings he has showered upon us.

I am grateful to my colleagues Vice Principals, Coordinators for their constant cooperation in joint activities. My special thanks to members of the Press and the Media. I must thank the administrative staff for working hard and making sure that JEMS looks better than ever before. I would like to thank most gratefully our Chairman and members of the School Managing Committee for their consistent support.

It is because of their interest in JEMS affairs, which motivate us to achieve higher academic standards, and have continued to encourage the future development of the school and guide its destiny.

Last but not the least, the unfailing devotion and diligence of the teachers and administrative staff who have made this a rewarding year for the whole community. Our teachers are fully dedicated to their task and do their best for the students. They spent extra hours to prepare the boys for all activities so that they realise their highest potential. I express my gratitude to them.

In the end, I ,once again thank our Honoured Chief Guest and all of you ladies and gentlemen for accepting our invitation and obliging us with your gracious presence.
